[15:52] <bethemadeagle> lol daniel bryan wants to come back and wrestle :D
[15:52] <bobbi_ling> they should play benoits theme on raw as if he returned LUL
[15:52] <darthradovanviking> It all starts at the top. The WWE Chairman who has won championships while wrestling for his own company admitted in 1994 that he had distributed steroids to performers and that he had also used them himself. Vince McMahon
[15:53] <bethemadeagle> he will just get injured and be a cripple then what would birdiebee do without her dad
[15:53] <bethemadeagle> vidar that was back then now its different

[15:54] <extracheeez> are u gonna 100% the game phil? want to see you try the dark/darker side challenges. :)
[15:54] <doctorzzz> LOOOOL
[15:54] <neospartanhesperos9> I'll never use steroids, but they don't make you bigger on their own. You still need to do the work to get the muscle. They mainly just accelerate recovery, but can still cause a large amount of health problem
[15:54] <rlcool> lol
[15:54] <bethemadeagle> vidar most wrestlers dont look buff enough for steriods in wwe lol but they probably have a few who use em
[15:55] <bethemadeagle> so drink lemon and milk ok got it
[15:55] <darthradovanviking> maybe it was different in the past. But many of the people that I think of when I think of wrestling is not just training buffs
[15:55] <ghostlyectoplasm> lmaoo
[15:55] <alexharveyconrad> This game has all the qualities.
[15:55] <turbopebble> When did you drink Anzu then?
[15:55] <deepdrive3254> If you like curdling milk bethe
[15:55] <neospartanhesperos9> i'm also not religious, but i don't think you should put anything into your body that's not natural to augment your appearance or performance.
[15:55] <aisaidhello> Actually You were pretty far from the wall
[15:56] <ihav4gotn> swiftrage20 phil do wrestlers use steroids, chat seems to think not
[15:56] <bethemadeagle> vidar the women def dont use steroids most can be broke like a stick how skinny they arre
[15:56] <bobbi_ling> those women arent wrestlers. they are models
[15:56] <alexharveyconrad> You'd be surprised bethe...
[15:57] <bethemadeagle> see vidar told you
[15:57] <darthradovanviking> haha.

[15:57] <bethemadeagle> lol
[15:57] <ihav4gotn> was the rock roided?
[15:57] <darthradovanviking> probably
[15:57] <bethemadeagle> that is why aj styles is champ and jinder lost
[15:57] <neospartanhesperos9> it's hard to tell
[15:57] <deepdrive3254> Giant moon? Must be bethe
[15:58] <bethemadeagle> not me deep just my ass
[15:58] <bobbi_ling> roman takes roids
[15:58] <mto2089> Kevin Owens is on HGH
[15:58] <bethemadeagle> bobbi good then he can get suspended and go away again
[15:58] <neospartanhesperos9> if people are working out hard everyday and with little to no rest time to recover then they're probably on a PED
[15:58] <bobbi_ling> paul heyman is on roids
[15:58] <bethemadeagle> ahahah
[15:58] <neospartanhesperos9> [performance enhancing drug]

[15:59] <ihav4gotn> big poppa pump

[15:59] <mto2089> hey man was on coke during ecw
[15:59] <bobbi_ling> scott steiner had implanted muscles i heard
[15:59] <bethemadeagle> paul heyman and brock lesnar got interrupted by a guy proposing on raw :D
[15:59] <darthradovanviking> Implanted muscles that sounds very mad german scientist
[15:59] <neospartanhesperos9> @Bobbi_Ling that's a mental issue

[16:39] <i_came_here_to_something> I don't think it's a 97 or perfect game by any means, but it's still quite better than Forces
[16:40] <eldeadmariachi> I would love a Waluigi game
[16:40] <dkpgames> Nope the worst Sonic game is better than the best mario
[16:40] <yossarian1988> Great work dude.
[16:40] <doctorzzz> just go the fall and jump on
[16:40] <somone192> hint: you've only seen half the game
[16:40] <i_came_here_to_something> @DKPGames Let's not talk crazy stuff
[16:40] <doctorzzz> you can dive and hat jump
[16:40] <dkpgames> Its true
[16:40] <i_came_here_to_something> Boom and '06 are nowhere on the level of the Galaxy games
[16:40] <turbopebble> Money grinding area?
[16:41] <cjuphoria> Is Luigi in this gam?
[16:41] <ghostlyectoplasm> ^^^^
[16:41] <doctorzzz> Jebaited
[16:41] <mysticfetus> I've been a fan of Phil since he began but I know he has been a transphobic doof since he was palling with Rambo. Perhaps he should educate himself before saying false things like we didnt exist. Trans women of color startd the stonewall riots which kicked off the gay rights movement in the 70s
[16:41] <dkpgames> True, they r Above galaxy

[16:43] <ratchefan12> your vnot darth after what he had just said i was gonna ban him
[16:43] <nightbot> Pips and pops and paps just tipped \$2.00
[16:43] <i_came_here_to_something> @DKPGames Your opinion is literally objectively wrong. You'd have a much stronger point if you were just talking about the classic 2D Sonics and 2D Marios (even there, I'd say they mostly tie, neither's outright better than the other).
[16:43] <kingjezal> Papsicolo...?
[16:43] <thatanonybear> gloryhole moon
[16:44] <nolbert87> !bananahammockparty
[16:44] <bobbi_ling> why do soccer fans get so uptight when you call it soccer?
[16:44] <deepdrive3254> Later bethe
[16:44] <dkpgames> No a opinionabout a game cant be objectively wrong
[16:44] <tr9000> it's too picky
[16:44] <hands_celebratory> she's saying no
[16:44] <tr9000> i guess your pecker is too big for the hole
[16:44] <kingjezal> Inconsistency!
[16:44] <bobbi_ling> beths long gone deep LUL
[16:44] <eldeadmariachi> Soccer is what the moms deliver their kids. Football is the actual mens sport
[16:44] <i_came_here_to_something> It can be if it's based on faulty evidence
[16:44] <thatanonybear> dvvt his pecker's too big LUL
[16:45] <thatanonybear> fawking size of a tree trunk
[16:45] <dkpgames> Its not the case

[16:45] <andyzadistic> lol
[16:45] <ghostlyectoplasm> "im gonna be a crazy asshole"
[16:45] <flyeaglesfly01> @Bobbi_Ling Because its called Football?
[16:45] <i_came_here_to_something> It is if you're saying the worst Sonic game's better than the best Mario game o.0
[16:45] <dkpgames> If Sonic is more fun for me theres nothing u can do
[16:45] <bobbi_ling> soccer is a form of football
[16:45] <enzio814> nah dont milk it...its almost 5
[16:45] <ghostlyectoplasm> omfg
[16:45] <doctorzzz> wow i did not see that moon from up there
[16:45] <bobbi_ling> its called soccer
[16:46] <flyeaglesfly01> @Bobbi_Ling Its not but cool.
[16:46] <tr9000> I really love how there is no fall damage here. Is this the first 3d mario game not to have it?
[16:46] <bobbi_ling> is too
[16:46] <i_came_here_to_something> Just because something's more fun for you doesn't mean it's "better" than something else. I like The Matrix more than Blade Runner, but can say Blade Runner is a better-made film
[16:46] <flyeaglesfly01> @Bobbi_Ling LUL
[16:46] <superbatcat> Kicking butt and taking names Phil
[16:46] <kingjezal> By this point Bowser should know how this ends
[16:46] <dkpgames> It is true, i enjoyed Sonic 06 more than mario galaxy
[16:47] <ghostlyectoplasm> ON THE MOON
[16:47] <neospartanhesperos9> British called it soccer before Americans did, when Americans called 'eggball' as football and the other sport as soccer, the british chose to called it football instead.
[16:47] <ghostlyectoplasm> why i cant marry bowser on the moon

[16:47] <thatanonybear> <https://clips.twitch.tv/PerfectApatheticTarsierImGlitch>
[16:47] <bobbi_ling> if u say football people will think you mean nfl
[16:47] <flyeaglesfly01> @NeoSpartanHesperos9 Really lol? I have never heard that before
[16:47] <nolbert87> Peach really needs to learn some MMA or something
[16:47] <neospartanhesperos9> i did
[16:47] <i_came_here_to_something> Okay, but Galaxy is an objectively better made and more polished game. It has none of Sonic '06's glitches or roughness, and its levels are more immaculately designed
[16:47] <neospartanhesperos9> Football Daily
[16:47] <flyeaglesfly01> @Bobbi_Ling In America only
[16:47] <thatanonybear> Peach's standup game is pathetic
[16:47] <turbopebble> Robobrood?
[16:48] <i_came_here_to_something> I'd probably laugh a ton more playing '06 vs. Galaxy, doesn't mean I'm laughing b/c '06's a better made game. It just isn't.
[16:48] <nolbert87> Shitty Voltron
[16:48] <doctorzzz> LOL
[16:48] <secretbossfight> Always thought Mario games needed a Megazord boss Kappa
[16:48] <kingjezal> Wowww
[16:48] <doctorzzz> climb with the BIRD
[16:48] <kinggoken> sonic 06 was shet
[16:48] <mario1080p> clutch
[16:48] <turbopebble> Hammer Brother is easier lol.
[16:48] <dkpgames> Its still boring, glitches could be fixed if ppl didn't bitch so much
[16:48] <eldeadmariachi> @bobbi_ling Thats for Americans only, in any other part of the world Football is soccer
[16:48] <hindae> Whats happening boys and girls
[16:48] <doctorzzz> you can poke em to death tho
[16:48] <tr9000> I hate to say this, but it sorta looks like it's pooping
[16:49] <flyeaglesfly01> @elDeadMariachi You mean anywhere else football is football
[16:49] <thatanonybear> @elDeadMariachi which is interesting because the term "Soccer" was invented by a Brit at Oxford, one of the best at the game
[16:49] <bobbi_ling> so you admit its soccer dspHm
[16:49] <turbopebble> I usually stay with the bird instead of exiting it.
[16:49] <doctorzzz> dont stay so close
[16:49] <kushiyakitori> :skull:
[16:49] <darthradovanviking> oh no :C
[16:49] <eldeadmariachi> @flyeaglesfly01 Yes i did it to presvent confusion
[16:49] <doctorzzz> go back a touch
[16:49] <thatanonybear> DSP's used to the pecker curving to the let
[16:49] <thatanonybear> Kappa
[16:49] <flyeaglesfly01> @Bobbi_Ling Americans call it Soccer which is fine. Everywhere else its football
[16:50] <i_came_here_to_something> You can play '06 on PC right now that made a lot of changes to make it better, but there's only so much mods can do. There's fundamental flaws in '06's physics and collision systems mods can't fix. Only SEGA could fix them.
[16:50] <flyeaglesfly01> @Bobbi_Ling I love both anyway
[16:50] <eldeadmariachi> @thatanonybear Yes but this day most of British fans call it football
[16:50] <darthradovanviking> nice poke phil
[16:50] <rlcool> lol
[16:50] <mario1080p> That was so close to the speedrun strat
[16:50] <hindae> You can, its just difficult because the mech shakes you off
[16:50] <doctorzzz> you can stay up there afrer you get thrown of you gotta hat jump back
[16:50] <kingjezal> Predetermined fail
[16:50] <dkpgames> You cant play 06 on pc, only a demo

[16:50] <flyeaglesfly01> @elDeadMariachi *all
[16:51] <kinggoken> when did Sega put Sonic 06 on pc?
[16:51] <dkpgames> They didn't
[16:51] <thatanonybear> @I_Came_Here_To_Something oh dayum, btfo
[16:51] <eldeadmariachi> @flyeaglesfly01 I try not to generalize when say something but if you think thats how it is ok then
[16:51] <i_came_here_to_something> @Kinggoken He's right, it's just a demo. But that demo is still much more polished than the actual game
[16:52] <i_came_here_to_something> It's also in-progress; they intend to finish porting the whole game over
[16:52] <flyeaglesfly01> @elDeadMariachi I have never heard anyone here call it Soccer unless its as a joke
[16:52] <dkpgames> Sega Would had fixed if Pretend to be fans didn't bitch so much about it
[16:52] <i_came_here_to_something> @ThatAnonyBear I mean we got a guy saying the worst Sonic's better than the best Mario tho Kappa
[16:53] <thatanonybear> @I_Came_Here_To_Something i'm fine with this
[16:53] <infinite_55> That was way too easy!
[16:53] <nolbert87> DEAD!
[16:53] <somone192> out of the game dspHm
[16:53] <i_came_here_to_something> How is it the fans' fault SEGA rushed '06 for an artificial deadline and split the dev team midway through?
[16:53] <neospartanhesperos9> We are the moon triplets
[16:53] <dkpgames> If everyone could be like anonybear...
[16:53] <eldeadmariachi> "I got a Munnn, A MUNNN"
[16:54] <thatanonybear> be like me tsosHi
[16:54] <bobbi_ling> panda?
[16:54] <neospartanhesperos9> no thanks
[16:54] <thatanonybear> a teddy bear, bobbi
[16:54] <i_came_here_to_something> @DKPGames I guess you can't detect sarcasm?
[16:54] <kinggoken> the graphics in that Sonic 06 demo look better than Sonic Forces graphics
[16:54] <eldeadmariachi> @thatanonybear Have you seen how pandas looks without the spot on their eyes, they look silly lol
[16:54] <dkpgames> Patches happens all the time,they didn't bother because the fans were bitching
[16:55] <mario1080p> Some of the Purple Coin located here are placed in really odd spots
[16:55] <deepdrive3254> Anony panda will be your next name
[16:55] <i_came_here_to_something> No, they didn't bother b/c Sonic Team never sticks to a formula and iterates on/polishes it any longer than the fiscal suits say they have to.
[16:55] <eldeadmariachi> ThatAnonyMoose sounds better
[16:55] <doctorzzz> FeelsBadMan
[16:55] <turbopebble> So they never Badger to a formula (geddit)
[16:56] <nolbert87> dspPepe dspYuck
[16:56] <dkpgames> Im sorry did i say fans? I mean ppl who saw top 10 on youtubes
[16:56] <kinggoken> Keepo
[16:56] <beatles12335> The next world is quick phil, go ahead and do it =p
[16:56] <kingjezal> It's a shame Nintendo couldn't be bothered to lock this stuff behind microtransactions. Lazy.
[16:57] <dkpgames> Phil enjoyed forces and 06 soo
[16:57] <kinggoken> lol @KingJezal
[16:57] <kurojp> I wish this game had lootboxes
[16:57] <kinggoken> Nintendo could make serious bank doing that
[16:57] <i_came_here_to_something> But even many fans were complaining about how bad a state '06 shipped in, even at the time. And you can't blame people watching Top 10s in 2017 on '06 not getting fixed, as if SEGA has a magic ball that can see into the future
[16:57] <alexharveyconrad> Absorbing the bird... A new euphemism, perhaps? Kappa
[16:57] <dkpgames> Mario still is the second best really

[16:58] <turbopebble> So, Sonic Team never "the badger" to a formula?

[16:58] <naokib4u> backside of the tower

[16:58] <thatanonybear> @alexharveyconrad pls LUL

[16:59] <thatanonybear> MrDestructoid ABSORB BIRD MrDestructoid

[16:59] <i_came_here_to_something> Mario's the 2nd best, yet his latest game's on GOTY lists and has satisfied pretty much all the fans, fftp. The only Sonic games of late that have even come close to that are Mania and Generations. And even in their cases, it wasn't quite as universal of praise (tho it was still very good overall)

[16:59] <neospartanhesperos9> What a long climb CoolStoryBob

[16:59] <dkpgames> They were ready to release a patched version for PC but they said screw this fans are bitching we wont get any money

[16:59] <doctorzzz> did he forget the moon ?

[16:59] <naokib4u> You didnt grab the moon

[16:59] <kingjezal> Did he pick it up?

[16:59] <naokib4u> LOL

[16:59] <alexharveyconrad> doot doot...

[17:00] <kingjezal> No moon for you, Phil.

[17:00] <easton_taylor1> didnt even get the moon lol

[17:00] <naokib4u> LOLLL

[17:00] <beatles12335> You Forgot!!

[17:00] <beatles12335> Phil!!!

[17:00] <kingjezal> 1 moon for the price of 2

[17:00] <dkpgames> The majority opinion dont hold a candle to true fans

[17:00] <thatanonybear> WHAT

[17:00] <kinggoken> how many worlds are after this one?

[17:00] <kinggoken> I forget

[17:00] <naokib4u> HAHHAH omg

[17:00] <neospartanhesperos9> it's really debatable which franchise is 'better', whether Mario or Sonic. they're just both great games franchises, leave it at that

[17:00] <turbopebble> ur an forget?

[17:00] <i_came_here_to_something> SEGA milks Sonic like a \$2 whore yet won't bother releasing an already-done *improved* port of '06 on PC because a few people were offering constructive criticism? LUL LUL LUL

[17:00] <tr9000> that would be a spoiler kinggoken

[17:00] <alexharveyconrad> Well, hop to it bruh. B)

[17:00] <jeremy101123> I was about to say no second moon lol. I thought i missed something

[17:00] <kinggoken> Sonic used to be very good

[17:00] <doctorzzz> the moon after this and then the secret stages

[17:01] <kinggoken> in the 90s

[17:01] <dkpgames> It even sounds like my opinion offends u lol

[17:01] <kinggoken> he fell off

[17:01] <kinggoken> after SA 2

[17:01] <thatanonybear> NOOOO

[17:01] <kingbuggetta> a bird killed my family

[17:01] <alexharveyconrad> FailFish

[17:01] <i_came_here_to_something> Dude, b/c your opinion makes zero sense LUL

[17:01] <darthradoanviking> what would you have done without that important moon. :D

[17:01] <vendatus> Sonic Shuffle best game LUL

[17:01] <dkpgames> Thats why we need SA3 no more boost gameplay or classic

[17:02] <i_came_here_to_something> @Kinggoken Definitely. After SA2 it got way more inconsistent.
[17:02] <matitoooo> bruh
[17:02] <kingjezal> 1 or 2 more deaths and we may be getting some salt...
[17:02] <i_came_here_to_something> @DKPGames Now there's an opinion I can agree with
[17:02] <dkpgames> It only makes sense if u love sonic

[17:04] <kingjezal> Thanks Miyamoto
[17:04] <i_came_here_to_something> I want the best for Sonic, just like any fan. But I can't lie to myself and say the worst Sonic games of late (Boom, '06, Lost World to a lesser extent) are better than the best Mario games of late, like the Galaxies, 3D World, or Odyssey. That'd just make things worst for the Sonic franchise.
[17:04] <neospartanhesperos9> @I_Came_Here_To_Something CoolStoryBob
[17:04] <darthradovanviking> this is how you supermario oddesey

[17:06] <kinggoken> true lol
[17:06] <darthradovanviking> sadly it was a moon and not the moon.
[17:06] <kinggoken> very true
[17:06] <i_came_here_to_something> I guess not. Prob the only thing I can say modern Sonic does better than these Mario games is the music...altho most of Force's soundtrack isn't top-notch imho
[17:06] <kinggoken> yeah the music in the sonic games are on point
[17:07] <crashed_ink> The lyrics on forces are not really my thing...
[17:07] <i_came_here_to_something> Imagine a Mario game w/ Crush 40 doing the OST Kreygasm
[17:07] <alexharveyconrad> We 'member.
[17:07] <thatanonybear> i miss Katamari OST
[17:07] <thatanonybear> *OSTs
[17:07] <kinggoken> it would be epic
[17:07] <kingjezal> The coffers...
[17:07] <dkpgames> Its laughable to even debate music, mario does 1 song good now, thats it, 1 and its cringy
[17:07] <megajonesy> hi
[17:08] <doctorzzz> well well folks
[17:08] <beatles12335> awwwwwwwwww
